(held up a little note)
Could you tell me how to get to this place?I'm lost.

KATE
(excited,Pointing at her uniform.)
You go to Idaho University too? Maybe we'll even end up as roommates! Come on, I'm heading there too.

They push the luggage cart toward the exit, chatting.

IVY
(pulls back, smiling awkwardly)
Unfortunately, I wish that were the case... but, I'm staying at my dad's house.

Kate looks puzzled.

IVY (CONT'D)
(continues to explain)
It's my mom, she's sick. She wants me to stay by my father's side while I finish my studies.

Kate glances around the busy terminal.

KATE
So... who's picking you up again?
It's dumping out there.

Ivy scans the area, searching.

IVY
(murmuring)
My dad supposedly... he must not be here yet.

A black luxury car pulls up. Two tall, striking men - DAMIAN (20), tattoo visible under his sleeve, and JAMES (19,wearing the blue school uniform shirt of Idaho University) - step out. Their presence turns heads.

KATE
(whispering, thrilled)
Oh my god, don't look now-but two totally sexy men standing over there to your right.

Ivy frowns, glances that way. Damian catches her gaze, cocks his eyebrow. James sighs, annoyed, and lifts a sign reading: “IVY.”

IVY
(recognizing them, mutters)
Are you fucking kidding me?

KATE
What's wrong?

IVY
those two are two of the four brothers.

3 EXT. AIRPORT - INTERNATIONAL ARRIVALS - DAY 3

Heavy rain. Ivy struggles to haul her heavy suitcases toward the car, drenched.

IVY
(cheerful)
Hi!

James climbs into the car, starts the engine.

JAMES
Your dad just wanted you here alive. Never said I had to stick around to help you. Figure it out

Ivy shrugs and hauls her luggage herself. She grips the suitcase handle - another hand catches it. It's Damian.

DAMIAN
(gentle)
Let me.

4 INT. CAR - DAY 4

Ivy sits in the passenger seat, soaked and shivering. Her wet shirt clings to her skin. James drives arrogantly. Damian sits in the back.

Outside, rolling hills and forest pass by. Ivy leans toward the window, mesmerized by the view - an ancient castle-like campus looms ahead.

DAMIAN
That's the University of Idaho.
You'll start class in a few days.
We're going home first.

IVY
(amazed)
This is amazing-

James glances over, unimpressed. Her wet shirt reveals more than intended.

JAMES
(snickers)
We can’t take her home like this,
or everyone’s gonna see her pink
underwear.

IVY
(crossing arms)
Hey! Stop looking!

James sighs, strips off his shirt, revealing a lean, muscular torso. He tosses the shirt at her.

JAMES
(cutting her off)
Enough. Say one more word and I'll
snap your neck.

Ivy freezes, wide-eyed.

5 INT. CAR - DAY 5

Ivy pulls on James's shirt obediently. Damian glares at his brother.

DAMIAN
(scolding)
Watch it, James!

Ivy gulps, sneaks a glance - water runs down James's arm, across his chest and abs. She quickly looks away.

6 EXT. CASTLE - DAY 6

Wolves roam around the estate. A howl echoes overhead.

The butler in a tailcoat is all smile.Dozens of maids and bodyguards stand lined up on both sides of the steps, bowing to greet Ivy.

James and Damian walk inside ahead of her. The butler glances at James’s bare chest, surprised for a moment, quickly handing over the shirt, James slipped it on as he walked, gave Ivy a teasing look, and followed Damian into the house.

Ivy gave Damian a challenging look.

BUTLER
Welcome, Miss Ivy.

She stands frozen at the foot of the staircase, looking completely stunned and uneasy.

IVY
(stunned)
Wait....This is my dad's house?

BUTLER
(smiling, unfazed)
Sir and Madam are waiting for you in the living room.

He reaches for her canvas bag. Ivy grips it tightly.

IVY
It's alright. I've got this one.

The butler insists. They tug at the bag - he wins. Ivy lowers her head and follows him inside.

7 INT. CASTLE - LIVING ROOM - DAY 7

Ivy takes in the grand spiral staircase and ancestral portraits. The butler sets her bag on the sofa.

ZANE (Ivy's father) and ALLISON (Ivy's stepmom, brown eyes, looking luxe). Zane flashes a warm smile. He comes towards Ivy with his arms open for a hug.

ZANE
Ivy, goodness you've grown!

IVY
(smiles)
It's been two years since I saw you last. You didn't come meet me at the airport?

ZANE
(sighs)
Yeah… my bad. Been stuck dealing with a foreign dignitary, so Allison got your stepbrothers to come get you. How’re they?

IVY
(shrug her shoulders)
Not great.

Zane frowned in confusion,Allison walks over.

ALLISON
(fake smile)
Finally! Ivy, took you long enough. We’re all grown-ups now, remember? Being on time actually matters.

IVY
(calmly)
Sure thing, Allison. Where am I staying?

ALLISON
(provocative)
Oh, you’re not in the main house, Ivy. We got the cottage out back ready for you. Figured you’d like having your own little space.

Ivy nods, shoulders her backpack, and turns to leave.

Allison steps forward, blocking her path, pressing a stunning, tight-fitting dress into her hands.

ALLISON (CONT'D)
Change into this. We're having family dinner tonight—I want you to join.

Ivy watches as Allison links arms with Zane and walks off.

Outside, wolves howl again.

Ivy drags her suitcase toward the cottage. She misses a step. The suitcase tumbles down. Books, hair ties, a toothbrush scatter. Something small rolls across the floor...

IVY
(bending to pick things up)
Shit!

A bright purple clitoral stimulator stops beside a pair of polished black shoes with a click.

The camera pans upwards. A slender hand picks the small you up, fingers toying with it.

Ivy looks up, horrified.

James stands in the doorway, backlit. His hair slicked back, white shirt open, an untied bowtie hanging around his neck.

JAMES
(lazy drawl)
You're literally something else, huh, dear stepsister.

EPISODE 3

8 INT. CASTLE - LIVING ROOM - DAY 8

Ivy and James lock eyes. A teasing smile plays at the corner of his mouth.

JAMES
Still liking this kind of toy, vibrating egg,huh?

IVY
(blushing, on tiptoe)
Give it back! You asshole!

James grins wider, raising the toy high above his head. Ivy lunges and crashes into his chest. Her nose brushes his firm skin. She freezes.

JAMES
(low, mocking)
What are you trying to do, my dear stepsister?

IVY
(struggling)
We're no family! Give it back!

James suddenly grips the back of her neck. His thumb traces the bare skin below her collar. He seems to be flirting and threatening at the same time.

JAMES
(warning)
Whose bed are you trying to crawl into, just like your pathetic father?

IVY
(furious, shoves him)
Don't you dare talk about my father like that.

James slams his palms against the wall beside her, trapping her. He dangles the toy in front of her, sliding it down toward her chest. Ivy tries to dodge.

JAMES
(eyes flickering red)
Your mom sent you here to buddy up with the school nobles, just to save your poor, starving family.

IVY
(disgusted)
No, it’s not like that.

JAMES
My mother paid back all the debt that your father owed! You think you belong here?

IVY
(stunned)
I never said I belonged here. I’m just here to study.

JAMES
(arrogant)
This place isn't for slum girls. You can either leave yourself or I can make you.

Ivy stops dead. His words sting. She whirls around and shoves him hard against the wall.

IVY
Yeah, I'm low-born. So let me show you what real temptation looks like.

She grabs his undone bowtie and yanks him closer. Barely an inch between them - heat, defiance, danger.She lifted her leg and kneed him in the groin.

Her hand slides from his neck down his shoulder, His hand reached into her skirt.resting on his abdomen. James takes a deep breath.

IVY (CONT'D)
(taunting)
Now, tell me. Am I the one who can't resist you, or is it the other way around?

JAMES
(breath quickening)
I warned you!

In a flash, James lifts her, spins her, and pins her against the wall. Golden threads of light coil around both their wrists.

JAMES (V.O.)
(stunned)
She's my mate? A human?

EPISODE 4

9 INT. CASTLE - LIVING ROOM - DAY 9

James storms out, frustrated take away the vibrating egg. Ivy presses a trembling hand to her chest, then to her burning cheeks.

IVY (V.O.)
Oh God... why is my heart beating so fast?

10 INT. CASTLE - DINING ROOM / GRAND STAIRCASE - DAY 10

A lavish dining room glows beneath a grand chandelier. At the foot of the spiral staircase, four tall figures lean casually against the railing, each in a black suit, each with his own style.

SUPER: Alpha Damian, Second Son James, Third Son Talon, Youngest Hale

By the fireplace, Allison taps her crimson nails impatiently against the mantel.

ALLISON
Where are her manners? Everyone's waiting for her!

Zane remains silent, giving her only a measured look. Allison reins in her tone, but her smirk remains.

ALLISON (CONT'D)
Well, maybe she's still figuring out the zipper on her dress. It's normal for country bumpkins.

Damian remains indifferent. Hale and Talon exchange a meaningful glance. James, still in his black suit from earlier, idly spins a pair of emerald cufflinks, eyes drifting lazily toward the stairs.

Footsteps rustle above. They stop. All four brothers look up - surprise flickers across their faces.

Ivy steps into the dining room wearing black leggings and an oversized band T-shirt.

Allison's lip turns up into a look of disgust before rolling her eyes, and turning away, heads for her seat.

James can't help but let out a soft laugh. He leans close to Ivy as she passes.

JAMES
(low, amused)
Lots of fire in you… for someone who barely knows the place.

Ivy cocks her brows, then out of sight from everyone else, she lifts her hand and gives him the middle finger.

She follows the group into the dining room, pulling out a chair in the center, but before she can sit, Allison's voice cuts through.

ALLISON
(sweetly cruel)
Ivy, you can sit in the last chair over there.

All eyes follow her gesture to a lonely chair at the far end of the long table, tucked near the service door.

EPISODE 5

11 INT. CASTLE - DINING ROOM / GRAND STAIRCASE - DAY 11

Ivy shrugs, unfazed. She walks to the far end of the table and sits down gracefully, like an outsider who doesn't care.

Damian glances over, admiration flickering in his eyes.

JAMES
(mocking)
I hope she doesn't get comfortable there.

DAMIAN
(steady gaze)
I like her attitude.

12 INT. CASTLE - DINING ROOM - NIGHT 12

The long dining table glows under the candlelight.

The flickering flames cast soft, dangerous shadows across the room.

Ivy scans everyone sitting at the table. Damian's unbuttoned collar, the diamond cufflinks on Talon's sleeve, Hale's neat bowtie, that is until her eyes lock with James's sharp stare. She quickly looks away.

IVY (V.O.)
How could one woman end up surrounded by four sexy, sinful men? God, Ivy, stop gawking at them!

She notices Hale and Talon. She takes a sip of wine to hide her surprise.

IVY (V.O.)
They look alike!

DAMIAN
(reading her thoughts)
Well, they are twins.

Startled, Ivy chokes on her drink, coughing violently, as the vibrating egg teases her thigh.

HALE
You okay?

IVY
(wiping her mouth)
Yep... yep. I'm good. Nothing wrong here.

Ivy realized it was James's prank, and under the table, she grabbed the vibrating egg and snatched it away.

TALON
Don't let Hale intimidate you. I'm the normal one. Damian doesn't talk much. Though... James...

JAMES
(interjects, dryly)
We already met.

All eyes turn toward them.

JAMES (CONT'D)
(teasing)
Ivy dropped her little toy earlier. I was nice enough to pick it up for her.

DAMIAN
(frowning, warningly)
That's enough, James!

James backs off, but smirks, cocks his brows at Ivy. She glares and kicks him hard under the table.

Under the tablecloth, James smoothly catches her ankle. His grip is lazy but firm. They stare each other down, a silent battle raging beneath the dinner table.

EPISODE 6

13 INT. CASTLE - DINING ROOM - NIGHT 13

ZANE
That's good, Ivy. If you ever need anything don't hesitate to ask James.

To make a point, James lightly trails his finger across Ivy's bare foot.

She jerks in shock, knee slamming into the table, silverware rattles loudly.

Ivy hurriedly stuffed the vibrating egg into her bag and stood up quickly, panicked.

IVY
(steadying herself)
Excuse me. I've got class tomorrow morning. I'll head back to the cottage.

ALLISON
(sighing)
Oh, God. I think she's drunk. Damian, can you go with her?

All eyes turn to Damian.

An unhappy look appears on James's face.

14 EXT. CASTLE GROUNDS - NIGHT 14

Damian sighs and wraps an arm around Ivy's waist as they walk toward the car.

From the shadows, a hound bursts out, snarling at Ivy's feet.

Startled and tipsy, she yelps and leaps into Damian's arms - legs locking around his waist.

IVY
Get... get back!

Damian sighs helplessly. He turns his head - fangs flash in the moonlight.

The dog whimpers, tail between its legs, and bolts.

James steps out from the dark, expression darker than ever.

JAMES
I can't believe the Alpha would scare a dog just for his stepsister. How noble of you.

He grabs Ivy from Damian's arms and hoists her over his shoulder, ignoring her flailing.

JAMES (CONT'D)
I'll take her from here.

Damian blocks his path, gripping Ivy's hand.

DAMIAN
Mother's orders. She might not belong to our world, but that doesn't mean I'll let you hurt her.

James grabs Ivy's other hand, eyes narrowing.

JAMES
She's my mate. Stay away from her.

DAMIAN
(smirking)
Everyone at school knows you're out to destroy her. You think she'll last a week there?

JAMES
That's none of your business.

Suddenly, a golden light coils around Damian's and Ivy's wrists. Both men freeze, eyes wide in disbelief.

DAMIAN (V.O.)
How's this possible? She's my mate?

JAMES (V.O.)
No way... How can she be both mine and Damian's mate?

15 INT. WHITE COTTAGE - NIGHT 15

Soft, warm light fills the cozy cottage.

White curtains sway gently. Fairy lights and green plants brighten the corners.

James carefully lays the sleeping Ivy on the bed.

He pulls up the blanket, his hands braced on either side of her as he leans closer.

Ivy stirs, nestling her cheek against the pillow, peaceful. A faint golden thread glows between them.

JAMES (V.O.)
A mate only belongs to one Alpha.
That's the rule. So what is she?

His breathing becomes heavy. He leans closer - their lips inches apart - when Ivy's eyes suddenly flutter open.

Their gaze locks. James freezes. He starts to pull away - but half-asleep, Ivy reaches up, hooks an arm around his neck, and pulls him down.

IVY
(murmuring)
Oh, James... how much do you hate me? I can't believe you're in my head.

James stiffens, trying to turn away. But she catches his left hand - guiding it slowly down her chest.

He braces himself on the bed with his other arm, startled.

IVY (CONT'D)
(drunk, smiling)
Well… if you're just a dream… don't you dare stop.

She took off her underpants and threw them aside,Her hand drags his past her waistline. James's breath catches. He grabs her hand, stopping her, holding it midair. Their eyes meet, tension crackling in the space between them.

EPISODE 7

16 INT. WHITE COTTAGE - NIGHT 16

Ivy tilts her head, confused.

James freezes like he's been struck by lightning. He jerks away from her and takes a step back.

JAMES
(leaving)
Do you even know what you're doing, bumpkin?

He storms out.

Ivy blinks in a daze, palms pressed to her flushed cheeks. She sits up under the blanket, thinking it's just a dream.

IVY (V.O.)
Oh God! Stop it! You cannot be fantasizing about your stepbrother right now! James is an asshole!

Her fingers twist the bedsheet unconsciously,She emptied the vibrating egg from her backpack.

IVY
(groaning)
Damn it! My phone died!

18 INT. UNIVERSITY CLASSROOM - DAY 18

MANDY (19), flawless makeup, tight knit dress, chestnut curls, sits in the front row. She powders her face in a hand mirror, her other hand draped over James's shoulder. They look like the perfect match.

MANDY (V.O.)
If I help James get rid of that annoying bitch, he'll fall in love with me for sure.

The classroom door slams open. Panting, Ivy stands there - late.

The room goes silent. Everyone turns to stare.

James lounges by the window, leaning back, smirk tugging at his lips.

MANDY
(mocking)
Hey, bumpkin, late on your first day? Who'd you sleep with last night?

Laughter ripples through the room. Ivy says nothing, walking to her desk.

Mandy stretches out a leg - Ivy trips, falling hard, chin scraping the floor.

James stiffens, almost stands, but Ivy quickly gets up on her own.

MANDY (CONT'D)
I heard your dad's pretty famous in the city - a top male escort. Guess that's how your stepmom could afford to send you here.

A low murmur sweeps through the class.

IVY
My father has his own life. I don't owe you an explanation for who he is.

MANDY
This isn't the kind of place where his kind makes a living.

Mandy dumps a trash bin over Ivy's desk then slashes Ivy's textbook with a box cutter.

MANDY (CONT'D)
If you don't drop out today, the next thing I'll be slashing will be your face!

James watches with a faint, unreadable smile - almost amused.

Ivy straightens her back, lifts her phone, and snaps a photo.

IVY
I heard this professor's strict. What do you think he'll do when he sees this?

MANDY
(reaching for the phone)
You wouldn't dare!

DAMIAN (O.S.)
What's going on in here?

The door opens. Authority floods the room.

Damian enters - sharp gray suit, glasses glinting, white shirt buttoned to the throat. Leather shoes click on the floor, briefcase in hand, steps measured. His cold gaze sweeps the class. Silence.

Ivy freezes, eyes wide.

IVY (V.O.)
Oh my god... Damian's my professor?

EPISODE 8

19 INT. CLASSROOM ENTRANCE - DAY 19

Damian stands at the lectern, placing his book down. His voice is calm, but commanding.

DAMIAN
Publicly humiliating a peer is unacceptable, Mandy Stone. I'm dropping your conduct grade to a C.

Next offense, the consequences will be harsher.

Mandy's face burns red. She stomps her foot, ready to argue, but her entourage tugs her sleeve, whispering fast.

MANDY'S ENTOURAGE
Don't mess with Prof. Damian. He's the eldest son of the Allison family. Wait for the welcome party.

Mandy grits her teeth, shoots Ivy a death glare, and sits down.

Damian hands Ivy a brand-new textbook. James watches from the back, teeth clenched.

DAMIAN
Turn to page five.

James tosses his own book aside, annoyed.

20 INT. UNIVERSITY BALLROOM - NIGHT 20

The Welcome Party banner hangs high.

Ivy, in a simple black dress, sits at a table with Kate, eating fried chicken.

IVY
(excited, mouth full)
I didn't eat before class. I'm starving.

KATE
Slow down. The party hasn't even started. James is tonight's star, remember?

BRIE (19, blonde) and RUTH (20, short-haired) - both in cocktail dresses - approach.

BRIE
(grinning)
I'm Brie, Sophomore. Mandy always bullies us. What you did today was badass.

IVY
(smiling)
Nice to meet you. I'm Ivy.

Across the room, James enters - immaculate in a tailored suit, hands in pockets. His entourage trails behind him. Heads turn as he walks.

BRIE
(whispering)
Oh my god. That's James. The school's king of the hill.

KATE
(nudging Ivy)
He's coming this way.

IVY
(denying)
He's not.

But James stops right in front of her. He pulls up a chair, sits down, eyes locked on Ivy.

JAMES
Sorry, everyone. Need a word with Ivy.

Stunned silence. The others quickly clear out. Ivy rises to leave, but James blocks her path.

JAMES (CONT'D)
I'm warning you. Pack your bags and leave this place or I'll make you regret staying.

IVY
I'm finishing my studies here no matter what you do.

James grabs her collar, jealousy flashing in his eyes.

JAMES
That confidence, is it because of Damian?

IVY
He's a hundred times the person that you'll ever be!

James suppresses his anger. He leans in close, voice low, breath hot against her ear.

JAMES
You know... your open window lets in more than just the breeze, Ivy. I can hear every little thing.

Ivy's eyes widen in shock.

FLASHBACK

Ivy's fingers clutch the bedsheet. The purple toy glows faintly on the nightstand.

END FLASHBACK

IVY
(flustered)
James, I don't know what you're talking about.

James leans towards Ivy's neck and inhales deeply behind her ear.

JAMES
Ivy... I can smell you. It's still inside you.

Ivy stiffens and quickly touches her belly.

IVY (V.O.)
Damn it! I forgot to take it out.

JASON (male, 18), Rugby player.

PENNY (female, 18), loyal and cruel.Carrying a baseball bat.

COOPER (male, 19), tall, silent muscle.

MANDY
(mocking)
You really have no shame, Ivy.

Ivy steadies her breathing, hand pressed to her face.

MANDY (CONT'D)
You flirt with Prof. Damian in class, and James after class? Newsflash - James is mine!

Ivy squeezes her legs and tries to calm herself down.

IVY
(strained)
He's my stepbrother.

MANDY
(snickers)
Stepbrother? Please. He only has brothers. I've never heard that he had a stepsister!

The group bursts into laughter.

MANDY (CONT'D)
James has a rugby game next week and only the popular people in school gets invited to the after party. Guess who's not invited?

She grinds her heel into Ivy's hand. Ivy winces.

MANDY (CONT'D)
You!

IVY
(through pain)
I don't even want to go.

Mandy kicks her hard in the stomach.t.

MANDY
I hate that look on your face!

An image of a galloping horse flashes.

Ivy can't help but moan at the vibration in her body that she's feeling. She tries to control the look on her face, but is still trembling.

IVY
(weakly)
Don't kick me in the stomach.

MANDY
(laughing)
What, scared you're carrying Damian's baby? What a bitch!

More laughter. Mandy kicks Ivy again in the stomach. Ivy covers her abdomen in pain.

An image of a galloping horse flashes again.

IVY
Damian is my stepbrother. So is James. If you keep this up, they'll come for you.

MANDY
(scoffs)
Seriously? That's the most ridiculous lie I've ever heard. As if some lowlife like you would even know the Allisons.

MANDY (CONT'D)
(To her friends,)
Don't just stand there. Teach her a lesson.

The three followers move in. One yanks Ivy's hair, another pins her arms, the third kicks her side. Ivy stumbles, trying to protect herself.

MANDY (CONT'D)
You don't belong here, bumpkin. Drop out or we'll make you.

IVY
Leave me alone!

Ivy bites Mandy's leg and breaks free. Clutching her stomach, she runs down the hall.

MANDY
(screaming after her)
You're finished, Ivy!

At the corner, the gang catches her again, pinning her arms behind her.

Mandy grabs Jason's baseball bat.

PENNY
(worried)
That's enough, boss. You could kill her.

MANDY
(furious)
That's the point!

She raises the stick high and swings down.

JAMES (O.S.)
What are you doing?

JAMES (O.S.)
What are you doing?

James charges in from the hallway, rage burning in his eyes. He kicks one of the boys aside and punches the others to the floor.

MANDY
(screaming)
Ah!

James stops, kneels to lift Ivy up, then turns a deadly glare on Mandy.

JAMES
I've warned you! No one lays a finger on Ivy! You know the consequences of crossing me!

Mandy's confidence shatters. She forces a nervous smile, backing away.

MANDY
I-I was just kidding. She lied she was your sister.

JAMES
(enunciating)
She's my stepsister!

He presses his boot down on one of the boys' wrists, slowly grinding it. Mandy's eyes widen in horror.

MANDY
I'm sorry! I didn't know! I'll do anything! Please forgive me!

James's expression darkens. His eyes glint gold for a moment - something inhuman flickers beneath his calm.

JAMES
Good.

Mandy's legs suddenly buckle as a sickening crack echoes through the hall. She collapses, screaming.

Ivy stares at James, shocked.

IVY (V.O.)
How did he do that? It’s the first time he’s ever stood up for me.

MANDY
(weak, disbelief)
James... I thought you wanted her gone.

James doesn't answer. He lifts Ivy into his arms and walks away, leaving Mandy crying on the floor.

James tenses, throat tight, sweat glistening down his jaw. He grabs Ivy, flips her beneath him.

JAMES
(gritting his teeth)
Your father married my mother.
Shouldn't we stop this?

Outside the cottage, Zane walks toward the cottage, holding a gift box.

Back inside, Ivy moans softly, kissing James again. James's veins bulge on his forehead. He sits up, eyes locked on hers - hungry, defiant.

He rips off his shirt, leans in, pulls her closer by the hips.

JAMES (CONT'D)
I want all of you.

IVY
Yes, please.

Ivy wraps her legs around his waist, feet hitting the headboard. Just as James is about to kiss her, a sharp knock pounds on the door.

ZANE (O.S.)
Ivy, have you seen James? His mother's looking for him.

They freeze. Ivy's eyes widen.

IVY
(whispering)
It's my dad!

Panicked, she tries to push James off, but he pins her gently down.

JAMES
(whispering, teasing)
You don't care about what they think, so why fear being caught?

He kisses her chest. Ivy gasps, eyes darting toward the door as the handle jiggles.

IVY
(breathless, calling out)
I haven't seen him. Maybe you should check somewhere else?

ZANE (O.S.)

ZANE
Is someone in there? Don't lie to me, Ivy.

Inside, James deliberately kisses Ivy's stomach. She bites her lip, trying not to react.

IVY
(breathless)
No one's here, Dad. I'm just... a little tired.

ZANE (O.S.)
Alright, I've bought you a gift. It's a new car. I hope you'll like it.

Ivy pushes James off her. He slides lower, half lying on her legs.

IVY
(whispering)
James, you have to go - now!

JAMES
(low, teasing)
You sure you want me to leave right now?

He rises playfully. Ivy, terrified he'll be seen, grabs his neck, pulling him back down onto the bed.

ZANE (O.S.)
Did you hear what I said, Ivy?

Outside, Zane frowns, moving toward the window.

Inside, Ivy stares in horror. The curtains are only half drawn.

She scrambles up, but it's too late. Zane's silhouette looms at the glass.

Suddenly, Damien steps into view, blocking Zane's line of sight.

DAMIEN
Zane, the Senator wants to see you.

Zane stiffens, his face becomes serious instantly. He hands the gift to Damian.

ZANE
Give this to Ivy. And find James - his mother's looking for him.

DAMIEN
(nods)
Understood.

Zane walks away. Damien watches him go, then turns toward the cottage, fury rising.

Inside, James kisses Ivy's ear, voice thick with lust. Ivy's cheeks burn red. Outside, a wolf howls.

IVY
(finally snapping, shouting)
Enough! What the fuck do you think you're doing, breaking into my house like that?

Hale and Talon exchange a look. Talon lets out a low whistle. Damian glares at Ivy, eyes sharp and dangerous.

HALE
(trying to explain)
Ivy, you don't understand...

IVY
(cutting him off)
Get the fuck out! All of you! And take this jerk with you.

Fun's over.

IVY (CONT'D)

IVY
(furious)
Damian, I'm tired of you always being such a dick!

DAMIAN
(smirking, stepping closer)
Let me make this clear since you didn't seem to understand the first time.

He advances on her. Ivy trembles, backing away, clutching the blanket tighter around her body.

IVY
Stop.

DAMIAN
(darkly)
No. Shut up. You stay the hell away from my brothers.
(approaches)
Is that clear?

He turns. The four men leave the cottage. The door slams shut behind them.

Why me?

The crowd roars to life.

In the stands, Kate and Ivy walk in with sodas, one behind the other. Ivy's expression is distant, heavy.

KATE
(teasing, grinning)
Hey, Ivy sex with sinful men is amazing, isn't it?

IVY
(sighs, looking away)
We didn't even get that far. Damian told me to stay away from him and his brothers.

KATE
(eyes wide)
Wow... seriously?

IVY
(nods, weary)
My four stepbrothers are jerks.
(MORE)

IVY (CONT'D)
They think I'm some slut and treat me like one. I just want to finish school and get the hell out of here.

Ivy is walking backwards, she bumps right into the substitute player, Max, soda spills all over her shirt.

IVY (CONT'D)
Hey!

Max, fumbles with napkins, embarrassed.

MAX
Wow, I... I'm sorry. Well, are you here to watch the game too?

He winces at his own words. Ivy can't help but laugh.

IVY
(teasing)
No... maybe I just wanted to crash into a player.

MAX
(laughing)
Hi, I'm Max. There's a great party tonight, you don't wanna miss it.

On the field, James spots Ivy laughing with Max. A smile flickers across his face but jealousy flashes behind it. Distracted, he gets slammed hard by the #03 player and crashes to the ground.

The crowd gasps.

KATE
(raising binoculars)
Oh my god, that's James - he's down!

IVY
(avoiding)
Not my problem.

KATE
(alarmed)
He's coming this way! He's walking towards you!

The next second, James appears right in front of her. He hurls the puck straight at Max.

IVY
Max!

The puck hits Max in the head. He drops to the ground. Ivy gasps, rushing toward him, but James grabs her wrist, eyes blazing with restrained fury.

IVY (CONT'D)
As my stepbrother or as my boyfriend?

JAMES
(firm, scolding)
You don't understand. Our situation is complicated.

The door swings open. Ivy freezes, James leans lazily against the wall, towel wrapped around his waist, ready for a shower.

JAMES
(eyes lingering)
You look beautiful tonight.

IVY
You ask a lot of questions for a stepbrother.

JAMES
(stubborn)
Where are you off to?

IVY
I was nothing more than a whore and I was to stay far from all of you. So listen to your brother like the good boy you are, and go fuck yourself.

James snaps, grabs her hands, and pins them above her head against the wall.

JAMES
You don't know anything. Max isn't a good guy!

IVY
(struggling)
And what about you? You're all assholes!

Outside in the hallway, Zane climbs the stairs, spotting James's back but not Ivy.

ZANE
James, have you seen Ivy?

Ivy's eyes widen. James clamps a hand over her mouth and pulls her into the shower, closing the curtain quickly.

Zane enters, puzzled, peering at the closed shower curtain.

Inside, James turns on the water. It cascades over Ivy, soaking her hair and dress. She glares at him.

ZANE (CONT'D)
I thought I heard Ivy's voice!

JAMES
(releasing her hand)
You must be mistaken. It's just me in here.

JAMES
(pretending to be mad)
You like watching or what? Just get out and close the damn door.

ZANE
(nervously)
Alright, calm down. I'm just looking for my daughter.

Zane retreats. Ivy finally breaks free, drenched and disheveled. She slaps James across the face.

IVY
Asshole!

James' towel slipped off. Ivy glanced down, and he snatched it up fast. James laughs instead of getting angry.

JAMES
Too bad your makeup's ruined. You can only stay at home now, my dear stepsister.

IVY
(irritated)
Seriously? Another one? It's none of your business, Professor!

She tries to open the door. Damian steps closer, trapping her against the car.

DAMIAN
It's quite dangerous out there, and it's late. You shouldn't be going out at this hour.

IVY
(laughing sarcastically)
You're just my stepbrother, Professor, not my dad!

She tries to pull away, but Damian grips her wrist firmly.

DAMIAN
Where are you going? Who are you going out with?

Ivy smirks, tracing her hand across his face, stopping just at his lips.

IVY
(fuming)
He's doing this on purpose!

Max, dressed in biker gear, steps off his motorcycle. He removes his helmet and approaches Ivy with a polite greeting.

MAX
(excited)
Hi! I'm so glad you came!

IVY
Thanks for the invite. This is my first time coming to a private party.

MAX
(appraising her)
You look amazing today.

Ivy shyly fiddles with her hair, unsure what to say. Max hands her a glass of wine.

MAX (CONT'D)
Let's have a drink... then let's go dancing.

Ivy glances at James, pretending to wrap her arm around Max's, and takes the wine.

IVY
Of course!

She sips. Suddenly, James appears, violently knocking her wine to the ground.

IVY (CONT'D)
(annoyed, confused)
James, is there a problem?

JAMES
The wine's spiked!

IVY
Max’s my friend, okay? Don’t talk crap about him!

Max opens his mouth, but James kicks him to the ground, eyes glowing red.

JAMES
Filthy bastard!

Ivy grabs James's arm, then her body goes limp. The drug takes effect and she loses all her strength.

James stays calm, catching her smoothly. He lifts her onto his shoulder.

JAMES
(low, intense)
Ivy, would you stop and listen to me?

IVY
Why, James? I was having fun, and you just had to ruin it.

JAMES
(gritting teeth, shouting)
Fun... with that piece of shit? He would've used you... then tossed you away like you were nothing!

IVY
So what! What if I just wanted one-time release?

James's eyes flash gold, a low growl escaping him.

JAMES
No way. You’re not letting another guy touch you.

Tears stream down Ivy's face.

IVY
You don’t get to tell me what I can or can’t do, James!

Tears fall onto James's hand. He releases her, running fingers through his hair, torn.

JAMES
(sighing)
I wish I could explain it to you… I really do. It’d make everything so much easier.

IVY
(pleading)
Just tell me. what's going on?

JAMES
I can't, Ivy... I wish I could, but I can't.

IVY
Is it that you can't, or you just won't? Go on, say it. I’m just some southern nobody, a bitch with no taste, right? That's what you all think.
(determined gaze)
But you've got me all wrong.

JAMES
Ivy, don't. We don't think that.

He hesitates, moving closer... then pulling back. Ivy grabs his collar, forcing him to decide.

IVY
Then kiss me... kiss me, James. Or leave.

She waits, but James turns toward the door.

IVY (CONT'D)
I'm a virgin.

Ivy sighs, tears streaming. Her sobs stop him in his tracks.

JAMES

Could be all four of us.

Hale and Talon exchange a look. Talon nods.

TALON (CONT'D)
Ivy, we want you. We all want to share you equally.

HALE
To share you between us, and in return, we will only belong to you.

Ivy freezes, stunned. James's silence only heightens her unease.

Talon's face darkens. He storms toward the door.

Ivy raises her hands, stopping the argument.

IVY
Whoa, whoa, whoa,Werewolves are real?

The three men stare at her. Hale smiles and nods.

HALE
Yes, we are, as are other creatures from your fairytale books.

Excitement flashes across Ivy's face, quickly replaced by anger.

IVY
You bastards!

JAMES
Ivy, please, let me explain.

IVY
Explain what? That you all decided I was just some stupid backwater girl, too fragile to handle the truth? That you knew better than me what’s best?

JAMES
(shaking his head, surprised)
No, that isn't it.

IVY
(sighs)
Well, obviously it is. Damian's little rule... it was never about protecting me. It was to keep you away from the trash.

James gripping Ivy's arm gently and trying to pull Ivy towards him. She raises her hand to stop him.

JAMES
Hey, listen....

IVY
No, James. I’m not gonna stand for being lied to. there’s a lot I don’t know about you all. I need some time… just to be alone.

ZEBAK
Good morning, Ivy.

IVY
Good Morning, Mr. Zebak. I hope you are doing well today.

James and Zebak's gaze makes Ivy nervous. She lowers her head, flipping through her book to focus.

Ivy's phone slowly lit up with a notification.

JAMES (TEXT)
I'm heading to France for a rugby match. I'll be back in a week. I'll miss you.

Ivy scrolls, and sees an image of James in his werewolf form. She gasps.

ZEBAK
Ivy? Are you okay?

She looks up and realizes the class is empty. Everyone else has left. Only Ivy and Zebak remain.

IVY
Oh, I'm sorry. I got so busy with my work I wasn't paying attention.

Ivy, are you interested in werewolves?

Ivy's eyes sparkle with curiosity and excitement, urging Zebak to continue.

IVY

Based on the evidence, yes. They simply keep their distance from humans.

Ivy's mind flashes to Damian's cold, distant face.

FLASHBACK

She tries to pull away, but Damian grips her wrist firmly.

DAMIAN
Where are you going? Who are you going out with?

Ivy smirks, tracing her hand across his face, stopping just at his lips.

Wanna know? Fuck me now and you'll find out.

Damian freezes, shocked.

END FLASHBACK

IVY
So... they dislike humans? Women?

ZEBAK
More precisely... they restrain themselves.

Ivy fakes confusion, guiding Zebak to reveal more.

ZEBAK
When werewolves mate with humans, their pups become more human. After a few generations, the wolf gene goes dormant… and it takes another wolf to wake it up.

Ivy ponders this, expression thoughtful.

IVY
I see... that explains a lot.

Zebak's gaze lingers on her. Ivy quickly adjusts her expression.

IVY
Thank you for your time. I look forward to our next meeting.

ZEBAK
Don't worry about it, but do me a favor, Ivy.

IVY
Sure, anything...

Zebak smiles warmly.

ZEBAK
Call me Caleb. You're one of my star students, and only my star students get this privilege.

IVY

I am looking forward to it, Ivy.

IVY
If your nose is good for anything, use it where it counts - stop spying on me.

She turns to walk away. Damian grabs her, pressing her against the hallway railing. Half her body hangs off the edge. Her eyes widen in fear as she presses against his solid frame.

DAMIAN
(half threatening, half warning)
That’s not your call, Ivy. I expect you to keep me updated. Understood?

Ivy tilts her head, locking eyes with him. Neither yields.

IVY
What if I say no, Professor?

DAMIAN
Ivy, don’t push me. I can be very dangerous if I need to be.

IVY
(sneering, provocative)
I highly doubt that Damian. So let me go and stop playing games with someone who can play them better than you.

Ivy's provocation pushes Damian over the edge. He pins her shoulders, forcing her upper body to hang suspended. The height of the third floor terrifies her; her heart races.

DAMIAN
Ivy... every action comes with a cost. Remember my warning - stay away from James.

Historically, it's extremely rare for multiple Alpha wolves to share one mate.

Ivy recalls what Prof. Zebak taught her about werewolf mating.

So that's why he pretended not to want me.

She cocks her brows, feigning indifference. Damian lifts his gaze, sharp - reading her thoughts.

DAMIAN
(mocking)
If you think you can walk beside me, then you're too naive, young lady.

Ivy realizes immediately that he can read her mind.

IVY
(angry)
Damian, you can't just read my thoughts!

A wicked smile forms on Damian's face, a glint of gold in his eyes.

DAMIAN
Save your little seduction tricks for someone else. Ivy. You aren't worth my time.

IVY
(cold laugh)
I'm not worth your time?

DAMIAN
You heard me.

IVY
(furious)
Try this. I'll sleep with all your brothers, but I won't play games with a man like you.

IVY
Then why hesitate?

DAMIAN
Because Ivy, I want to take my time with you, and enjoy every moment I am with you.

IVY
Then kiss me, and show me.

Damian wraps her close, flipping them. His elbows brace beside her; one hand unbuttons his suit and shirt, leaving his upper body bare, with only a black tie around his neck. He removes it, tying it gently over Ivy's eyes.

Ivy bites her lip, breathing heavily, desire in her voice.

IVY (CONT'D)
Please, Damian, I need you.

DAMIAN
Patience. I plan on taking my time with you.

He slowly unties the chiffon tie over her chest, kissing her exposed skin, moving down to her abdomen. He wraps his arms around her thighs, holding her in place, lips exploring between her legs.

Ivy trembles, moaning.

IVY

DAMIAN
The window's open. I can hear everything in here... and I can... smell it too.

Ivy glances toward the wide-open living room window.

IVY (V.O.)
Werewolves have amazing hearing. My scream earlier must have drawn him here.

Damian, outside the door, seems to hear her thoughts, and he chuckles.

DAMIAN
It's not just your screams, Ivy.

IVY
(shyly annoyed, sarcastic)
Oh, sorry... was my privacy disturbing you?

Before she finishes, Damian opens the door and steps inside.

DAMIAN
After James mated with you, the link wasn't broken. He and the brothers all have telepathy.

Damian enters effortlessly. Ivy jumps from the bed and rushes toward him, clearly upset.

IVY
This is my house. You don't come in without my permission.

Damian stands in the doorway, watching Ivy.

DAMIAN
(explaining)
Humans can’t just turn it off like we do.but that's actually why I'm here. I brought you something.

He opens the long black box. Within the box was a gold chain with a clear crystal that hung from the end in the shape of a moon.

Damian leads Ivy to the mirror and carefully fastens the necklace around her neck.

DAMIAN (CONT’D)
This will help block our mind-reading.

Ivy touches the crystal over her chest, mesmerized.

IVY
It's beautiful.

Damian watches her reflection in the mirror, leans down, subtly sniffing her neck, one hand around her waist.

DAMIAN
(whispering, seductive)
You can fantasize about me in your dreams, Ivy. This will make sure no one ever detects your desire for me.

Ivy's eyes widen, cheeks flush instantly.

EPISODE 28

53 INT. WHITE COTTAGE - DAY 53

Ivy shoves Damian back, shocked.

IVY
You're a complete bastard, Damian.

Damian smirks victoriously, cocking his brows.

Outside, the sound of a car braking echoes.

IVY (V.O.)
Father's back.

IVY
(retaliating)
You should leave, Damian. If Father sees you here, he won't be happy.

Damian steps back, his expression turning cold and unreadable.

DAMIAN
(mocking)
Zane won't kick me out.

IVY
(confused)
What?

Damian smirks, remembering a conversation with Zane.

FLASHBACK

54 INT. STUDY - DAY 54

Damian and Zane sit across from each other at a desk.

ZANE
I've decided to bring Ivy over to be with you guys.

DAMIAN
What you're asking for isn't a good idea, Zane. Ivy's just a human. No one knows the consequences of her mating with four werewolves.

ZANE
My past was ruined because I had Ivy. But now... a wolf queen's daughter is my leverage for claiming werewolf rights.

DAMIAN
I refuse. She doesn't deserve to live a life like this.

Zane's face darkens, a cruel glint in his eyes.

ZANE
That isn’t for you to decide. The Moon Goddess selected her for the four of you, Damian.

END FLASHBACK

DAMIAN (V.O.)
Ivy, if you see Zane for the ruthless monster he is, you'll despise him.

Damian smirks, touching Ivy's unsuspecting face.

DAMIAN
Your father would love for me to stay.

EPISODE 29

55 INT. WHITE COTTAGE - DAY 55

Ivy stands there, staring at Damian, eyebrows arched in disbelief.

IVY
Damian, maybe you're misunderstanding things between Zane and me. He's not a responsible father, but I know he'd never sell me out.

Damian says nothing. The contempt in his eyes cuts her like glass. Anger flashes across Ivy's face.

Just then, a knock at the door. Zane's voice sounds.

ZANE (O.S.)
Ivy.

IVY
(quickly, to Damian)
Get in there. I'll prove you wrong.

She shoves Damian into the wardrobe and opens the door.

IVY (CONT’D)
Hey, sorry I’m just getting up.

ZANE
Are you feeling okay? Allison's been worried about you.

At the mention of Allison, Ivy lets out a sharp, bitter laugh. Zane's expression darkens immediately.

ZANE (CONT'D)
I will not tolerate disrespect towards her. She is your mother.

IVY
(angrily)
No, she isn't!

Zane slaps Ivy across the face - hard.

ZANE
(cold, warning)
Shut your mouth. You'll always be an outsider in this family. Your only purpose is to help me claim what's rightfully mine.

Ivy clutches her cheek, staring at him in disbelief.

ZANE (CONT'D)
(threatening)
Listen, Ivy. I know Damian's resisting you, but this has to happen. James will help you get to him.

Zane storms out, leaving the door wide open. Ivy stands frozen, tears streaming down her face.

IVY (V.O.)
Zane doesn't care about me. James is just using me. Who do I even have left to trust?

She turns toward the bedroom door.

IVY (V.O.)
To Damian, I must look like a complete joke.

The doorknob turns. Damian starts to step out. Unable to face him, Ivy bolts from the house.

DAMIAN
Thank god you're okay.

Ivy clings to him, trembling, tears mixing with lake water.

IVY
(sobbing)
I'm sorry, Damian... I didn't think Zane...

Damian grips the back of her neck and kisses her - fierce, raw. When they part, he rests his forehead against hers.

DAMIAN
You feel it, don't you? My wolf wants to be with your, and I am the one preventing it.

IVY
(laughs through tears)
Yes, Damian... you want me.

He gazes at her lips, desire burning in his eyes.

IVY (V.O.)
You're the only one who ever truly cared about me.

IVY
I'm sorry for what I said. Let me make it up to you.

Ivy unfastened his pants,while Damian pulled off his shirt, kissing down her skin.In the water, her hand trailed down across his abdomen.He lifts her in his arms, carrying her to shore. Her wet dress clings to every curve.

DAMIAN
If you want to apologize for what has happened between us, you will run for me.

Ivy blinks, confused. A cracking sound - bones shifting, reshaping. Before her eyes, Damian transforms into a massive gray wolf.

IVY
Damian?

The wolf lets out a deep, thunderous growl. Ivy suddenly understands.

IVY (CONT'D)
You want me to do as you command? To run... to be your prey?

She sprints into the forest. The beast gives chase - powerful, relentless. He lunges, tackling her to the ground. His claws tear through her dress; his fangs graze her skin.

IVY (V.O.)
(shocked, breathless)
Damian... are you really going to mate with me in your wolf form?

Mine!

IVY
Yes, yours. All yours.

Damian strokes Ivy's bracelet.

DAMIAN
This bracelet... it's special.

IVY
(smiling, looping her arms around his neck)
My father gave it to me.

DAMIAN
Ivy... I want you.

He pins her down, forcing her forward. His wolf body hovers over hers, legs spread, hips moving forward - just as he's about to enter, he suddenly stops, lifting his head.

Ivy follows his gaze. A massive black wolf bursts from the forest, growling at them.

DAMIAN (V.O.)
James!

The bracelet glows green. A mist of green elixir seeps out. Ivy and Damian inhale the mysterious potion.

DAMIAN
(whispering, suggestive)
If he insists on watching then perhaps we should give him a show.

IVY
Why don't we do it together?

DAMIAN
Do you even know what you're saying?

The black wolf lets out an angry howl, staring at the two lost in desire, then turns and disappears into the forest.

Damian smells the lingering elixir and suddenly grabs Ivy's hand.

DAMIAN (CONT'D)
(shocked)
A werewolf aphrodisiac? Ivy... you lied to me!

EPISODE 32

59 EXT. FOREST - DAY 59

Ivy looks confused as Damian shoves her away.

IVY
What?

DAMIAN
(mocking)
You really are Zane's perfect little girl. You manipulated me and my brothers just to establish a bond with us.

IVY
I don’t know what you’re talking about, Damian.

DAMIAN
(shouting)
Shut up, you vile human!

He sneers, throws the bracelet to the ground, and storms off.

60 INT. STUDY - DAY 60

Ivy appears in front of Zane, holding the bracelet.

IVY
What's in this bracelet?

Zane eyes her, satisfaction spreading across his face.

ZANE
You are mating with the boys, of course. It’s a good thing, though.

IVY
What’s a good thing?

ZANE
You know, Damian recognized you as his mate at your high school graduation. From that moment, I knew I had to do what it took to make sure you came here.

Ivy's eyes widen in shock.

IVY
I don't understand.

ZANE
(chuckling)
To think you could have been at an Ivy league school but I pulled some strings. I made sure you were here to fulfill your destiny.

Ivy screams, furious.

IVY
You didn't! That was my future!

ZANE
(roaring)
Don’t you dare raise your tone with me!

He slaps her across the face. Ivy clutches her cheek, tears streaming.

IVY
(venomous)
You will never get what you want, Zane. I swear!

She storms off. Behind her, Zane furiously hurls a crystal glass across the desk. Shards scatter across the floor.

IVY
(surprised, disappointed)
Prof. Zebak, how come it’s you?

CALEB
Do you remember what I asked you to call me?

IVY
(weakly, smiling)
Thank you, Caleb.

CALEB
I'd be happier if you weren't so disappointed.
(pauses)
Is this... about Damian?

IVY
(surprised)
How did you know?

CALEB
I know Damian. We were classmates. He had a reputation... extreme in every way.

IVY
I quickly realized after coming here that most of them... don't fit in with normal humans.

CALEB
Oh, so they told you their secret, huh? Look, most humans don’t believe in certain things, but it’s obvious — at the end of the day, we’re who we are, no matter what DNA says.

IVY
(shocked, blurts out)
Are you a...

Ivy immediately stops herself, trying to play it off. Caleb smirks knowingly.

CALEB
A werewolf? Why yes, Ivy, I am.

Ivy stares, stunned.

IVY
I never thought you were one of them.

She pauses.

Caleb's expression flickers slightly, eyes dark.

IVY (CONT'D)
Have you not found your mate yet?

CALEB
Uh... I did. But unfortunately, she rejected me and claimed another.

IVY
Oh, Caleb. I'm so sorry.

CALEB
It's okay, Ivy. It was a long time ago.

Ivy tries to say something else. Caleb rises, preparing to leave.

IVY
(startled)
Mandy? What are you doing?

DAMIAN (CONT'D)
Where's your professor? How dare they leave you alone here...

IVY
(interrupting)
Damian, I know you misunderstand me.

DAMIAN
Listen... I'm sorry about breaking your bracelet that day. But no one will ever use you to control us.

IVY
(sad, hugging him)
No one will control you. I promise. I'll leave as soon as I finish college.

DAMIAN
That's not what I mean.

IVY
I know what my father wants. I won't let him succeed. I will leave.

DAMIAN
(angry)
Really? That's your solution?

Ivy pushes him away.

IVY
I'm just an ordinary human. I'll meet a boy I like and live a normal life.

Damian, furious, lifts Ivy onto the infirmary bed, forcing her to sit, hands over her head.

DAMIAN
Who do you want to marry?

IVY
None of your business.

A tense moment. The phone rings. “Mom” appears on the caller ID. Damian steps back, gathers himself, and storms out.

IVY (CONT’D)
(collecting herself, answering)
Hey, Mom. How are you feeling?

MOM (O.S.)
Oh, dear, I'm fine. Just tired from work.

IVY
(teary)
Mom, you need to take it easy. How are you supposed to be ready for that permanent vacation once I graduate if you work yourself to death.

They laugh together. Ivy secretly wipes her tears.

MOM (O.S.)
So how are things with those boys? Are they being nice to you?

IVY
I just wish they wouldn’t hide things from me. They like to keep too many secrets.

MOM (O.S.)
Well, they’re werewolves, Ivy. Time you accepted you’re their Luna.

Ivy freezes, shocked.

EPISODE 36

67 INT. INFIRMARY - DAY 67

IVY
(shocked, curious)
Mom, why didn’t you tell me if you knew about them all along?

MOM (O.S.)
I'm sorry, Ivy. I tried, many times. But your father warned me - if I told you, he'd take you from me.

IVY
You should’ve told me anyway... I had a right to know, Mom.

James waves off Mandy's grip, irritated.

JAMES
You said you saw Ivy. Where did she go?

MANDY
(pretending)
Don’t you know? She went to the infirmary. I saw her with Damian.

James clenches his fist, grabs Mandy's chin, glaring.

JAMES
Don’t you ever go after Ivy again.
I might share her with my brothers,

IVY
Damian, what are you doing here?

DAMIAN
(smirking)
The water's out at home...
borrowing your shower.

IVY
Suit yourself. I'm heading out.

Ivy turns, but Damian wraps his arms around her from behind. He pulls her close, pinning her under him.

DAMIAN
You can never refuse me, Ivy.

A golden, seductive glint flashes in his eyes.

DAMIAN (CONT’D)
Answer me.

IVY
No, Damian...

Damian lowers his head, sealing her lips with his. His fingers trace her body as he kisses down her jaw. Ivy moans softly; he stops.

DAMIAN
Promise me, Ivy - you won't leave, even after you finish school.

Ivy, grinding slightly against him, comes back to her senses at his words.

IVY
Damian, you can't command me. My life is mine. You must respect that.

DAMIAN
I don't care what your father plans. I just want to tell you... I like you.

DAMIAN
(standing in front of Ivy)
Watch your words!

ALLISON
Damian, I do not approve of this human entering the pack!

DAMIAN
(angry)
I am your Alpha! She will be your Luna. You must respect her!

Allison slaps Ivy. Damian blocks her, gripping her wrist.

DAMIAN (CONT'D)
No one touches her. Not you. Not anyone.

ALLISON
(sarcastic, pointing down)
You're a mighty Alpha, she's your stepsister... how can you be with her?

ALLISON (CONT'D)
Ivy, leave my house. Go find your barren mother.

Ivy slings on her backpack,gives Damian a complex glance and leaves. Damian moves to follow, but Allison blocks him.

ALLISON (CONT'D)
Stay if you still see me as your mother!

DAMIAN
You shouldn't treat Ivy like this! She's my mate - this is fate!

gotta go.

Eventually, I’d move into the main
house, and from there… be the
center of their world.

Caleb glances at Ivy; she doesn't notice.

IVY (V.O.)
Would I still get to go to school
like I want? Or would it be online
classes and private tutors instead?
On top of everything else, I'd have
to start learning how to be a Luna

Class ends. Students leave. Caleb calls out to Ivy.

CALEB
Hey, Ivy. You okay?

Ivy comes back to her senses, momentarily in a daze.

CALEB (CONT'D)
I haven't heard from you since the infirmary. Just checking in.

IVY

Ivy stares, confused and alarmed.

IVY
What's happening? Damian, can you let go of my friend?

DAMIAN
Friend?

Caleb yanks his collar free from Damian's grip.

CALEB
Ivy doesn't have to report who she be friends to you.

Damian's fury ignites; he bares his teeth at Caleb.

DAMIAN
I’m warning you Caleb, stay away from Ivy!

She is mine!

Ivy notices the golden glow in his eyes. She steps between Caleb and Damian, pressing against Damian's chest, trying to calm him.

Please stop this. I promise nothing is happening. He was just helping me understand some things.

Damian holds Ivy's hand to his chest.

DAMIAN
He isn't who you think he is, Ivy.

IVY
(confused)

That girl... looks like me?

If you want to act like children, fine. But I don't want to listen to you guys arguing.

Fine! Did you take Caleb's mate? Was her death your fault? Was she another mate of you and your brothers?

Damian stops walking, staring deeply into Ivy's eyes.

DAMIAN
Anything else? Aren't you going to keep asking?

Yes.

DAMIAN
Sophia wanted to become my wife and hold power in the pack. She rejected Caleb and tried to bind me.

IVY
So you agreed... because you liked her.

Ivy steps forward and touches his cheek. Damian steps back.

DAMIAN (V.O.)
I'm sorry, Ivy. Only by leaving will you be safe.

DAMIAN
Yes, I liked her... but someone secretly killed her.

Ivy trembles, staring at Damian in disbelief. He advances relentlessly.

DAMIAN (CONT'D)
Why don't you ask more? I'll tell you now-without the aphrodisiac, I wouldn't even look at you.

Tears well in Ivy's eyes.

DAMIAN (CONT'D)
(mocking)
Do you think you deserve to be Sophia's substitute?

Tears finally spill down Ivy's cheeks.

What happened?

IVY
(firm)
I'm leaving. I'm getting out of here

Why the hell did you lie to her? Sophia and you never had anything, and Ivy's not some stand-in!

DAMIAN
(gritting his teeth)
You don't know Caleb.
(MORE)

DAMIAN (CONT'D)
He blames us for Sophia's death. I can't let Ivy become another casualty.

JAMES
(shocked)
Damian, Ivy may never forgive you for this!

DAMIAN
I'm doing the right thing. Once Ivy leaves Idaho, I can deal with Caleb freely. It's the only way to protect her.

CALEB
Yeah... It’s a shame too because we used to be close.

Caleb places a cup of tea in front of Ivy. She takes a sip.

IVY
Thank you for being so kind and caring.

Caleb watches her drink, an odd smile curling on his lips.

CALEB
I’m doing this because I care about you, Ivy.

IVY
I appreciate that. It’s time for me to go… leave this city behind.

Suddenly, an old grey-haired man steps from the neighbor's hedge.

OLD MAN
Are you looking for the young man who lives here?

JAMES
Yes! Do you know if she's been home?

OLD MAN
Oh, about half an hour ago, he took a fainted girl to the hospital.

Their faces go pale.

DAMIAN
(grave)
Ivy's in trouble.

CALEB
Good morning, Ivy. I was wondering when you would wake up.

IVY
(shouting, angry)
Your‘re crazy!Let me go right now!

CALEB
(roaring)
Ivy, my darling... I didn't want it to happen this fast. But Damian's trying to send you away. I can't waste any more time.

A girl's voice cuts through the tension. Mandy walks in.

MANDY (O.S.)
Caleb, be nice to my friend. Gentle, remember?

IVY
(frowning)
Mandy?

MANDY
(smiling)
Surprise! I've waited a long time for this moment.

IVY
I don't understand. Why are you two together?

MANDY
We’re just getting what we need. He’s out for Damian, I’m out for James, and right now you’re their mate,That won’t last.

IVY
Why?

Ivy's eyes redden. She turns to Caleb, only to see him smiling, desire in his gaze.

MANDY
Everything I did was to save you... to give you a different life.

IVY
(stunned, confused)
I don’t need it.

Mandy's face darkens. She slaps Ivy hard.

MANDY
See what you made me do?at the peak of the Full Moon... your bonds with the other three wolves will break. You'll be free to be claimed by a wolf.

IVY
No. That makes no sense. Why are you doing this?

CALEB
(evil)
When I claim you as mine, I'll watch Damian fall - feel the pain of losing his mate, just like I and he endured.

Ivy's eyes widen in shock. Caleb’s hand clamps around her throat. With a cruel look, he leans in and kisses her on the cheek.Mandy grins, cruelly pleased.

EPISODE 46

85 INT. REMOTE CABIN - DAY 85

Ivy struggled.

IVY
This is all ridiculous. Caleb, you have to let me go.

CALEB
I already told you why. What part of that don’t you understand?

IVY
I get that you have issues with them, but I never did anything to you.

Caleb narrows his eyes, staring at her.

CALEB
It's not that, Ivy. You're important to Damian and James. You're special.

He watches her expectantly. Ivy takes a deep breath.

IVY
(firm)
I will never accept you, Caleb.

Caleb's expression darkens. Mandy snickers but quickly recoils at Caleb's terrifying glare and slowly exits the room.

CALEB
(Calmly)
It doesn’t matter. You don’t have to accept me, because when I mark you, it will be too late.

IVY
(panicking)
You can't mark me!

CALEB
(laughing)
Oh, I think you'll find I can do whatever I want. And I know... someday you'll love me.

IVY
(rolling eyes)
It’s useless. I don't know what delusional world you live in, but love doesn't exist.

CALEB
(angry)
You will change your mind eventually, Ivy.

IVY
No! I won't. Damian and James will come for me. You can't stop them!

Before she can react further, Caleb grabs her hair, pulling her toward him.

CALEB
Never say his name in front of me again. He is nothing.

Ivy spits in his face.

IVY
Fuck you!

CALEB
(grinning)
So feisty!

In the next second, Caleb hoists Ivy onto his shoulder.

87 INT. REMOTE CABIN - BEDROOM - DAY 87

Caleb picks up a steel chain from the floor and cuffs Ivy's wrists. He pulls out a syringe.

IVY
What are you doing?

CALEB
Only two days left, Ivy. When the moon rises, the bond breaks, and you'll be mine.

IVY
No!

Caleb injects the needle into Ivy's arm.

CALEB
For your own good, it’s better that you remain asleep for the next two days.

Ivy's eyes glaze over. Caleb smiles, satisfied, and turns to leave.

Just before she loses consciousness, Ivy grabs the necklace around her neck and yanks it off.

88 INT. WHITE COTTAGE - DAY 88

Damian sits in the living room. James and the twins spread out around the house.

DAMIAN
(to James)
Search every inch of Idaho. I have to find Ivy.

He sighs, pinching the bridge of his nose.

DAMIAN (CONT'D)
If Caleb wants to mark Ivy, it's only to get revenge on me.

Everyone frowns.

TALON
We have to stop him!

HALE
When the moon rises, he can take her for himself.

JAMES
Ivy took off the necklace. I can feel her, but it's faint. She is in trouble.

DAMIAN
(sensing it too)
Ivy is in a cabin.

James scans the surroundings, searching.

HALE
Does Caleb have a cabin?

DAMIAN
No. As far as I know, he doesn't, but then who knows what he has done over the years.

JAMES
(smiling wryly)
Caleb wouldn't be stupid enough to take her to his own place.

DAMIAN
(irritated)
Fine. Where the hell do you think he took Ivy?

JAMES
You're a jerk, no wonder Ivy wanted to go home.

DAMIAN
(suddenly)
I know someone with a cabin.

TALON
Who?

DAMIAN
Mandy. Her cabin by the lake.

The three brothers look at James. James frowns deeply.

EPISODE 48

89 INT. REMOTE CABIN - DAY 89

Drips echo from a pipe, waking Ivy. She opens her eyes and sits up. The metal cuffs on her wrists clang against the headboard.

Not far away, Caleb coats a knife with a substance - poison. He hears the movement and sets the knife down, walking toward Ivy.

CALEB
Good morning, my future wife. Did you sleep well?

He leans in for a morning kiss. Ivy turns her head to avoid him. Caleb doesn’t seem to mind at all. He smiles and returns to the table.

CALEB (CONT’D)
Be it as it may, the Full Moon is tonight, my dear.

Ivy stiffens. Caleb picks up a curved blade etched with a wolf's head and slowly approaches her.

CALEB (CONT’D)
Tonight things will change for you, Ivy. I will give you a life you always dreamed of.

Ivy shakes her head frantically, struggling. The chains clang against the bed.

IVY
You can't do this to me!

Caleb raises the knife.

CALEB
As long as we can be together, it's all worth it.

The knife nears Ivy, just as it's about to pierce her, a wolf howls in the distance.

Caleb throws the knife aside and roars, charging toward the door.

IVY
(realizing)
They're here!

90 EXT. REMOTE CABIN - DAY 90

Kate and the four brothers spread out around the cabin, ready to attack. Talon stops them.

TALON
There's something inside that house... it feels wrong. There are traps.

Gold light flickers briefly from Damian and James's wrists.

DAMIAN
(frowning)
Ivy's in danger. I have to get to her!

They rush toward the cabin, but Caleb and a large group of his men appear around it.

CALEB
(laughing)
Damian... you didn't think I came unprepared, did you?

His men surround Damian and the others. A red magical circle flares up, forming a glowing barrier.

EPISODE 49

91 INT. REMOTE CABIN - DAY 91

CALEB
Damian, step into the red barrier, and you'll lose your wolf powers.

Damian, James, and the twins don't hesitate. They charge into the barrier, engaging Caleb's men in brutal hand-to-hand combat.

Caleb leans against the porch, smiling as he watches. James rushes at Caleb in anger but is ambushed by Caleb’s men.

Damian quickly takes down one attacker and spins toward James.

The brothers fight fiercely. Caleb grabs Ivy by the hair, pressing her back to his chest, one hand choking her.

CALEB (CONT'D)
It's time you all see who holds the upper hand.

Everyone freezes.

DAMIAN
(yelling)
What are you doing?

CALEB
Get back!

Damian and James slowly retreat. Caleb tightens his grip on Ivy's neck.

DAMIAN
Don't hurt her!

Damian lets go of resistance and is stabbed in the arm by Mandy.

IVY
No!

Caleb drags a dagger across Ivy's neck; blood drips down. He presses his fingernail into her wound. Damian turns pale.

JAMES
Ivy!

HALE / TALON
Ivy!

CALEB
(whispering in Ivy's ear)
See how nervous they are?
(to Damian, sneering)
Damian, now you feel what it's like to lose the one you love!

DAMIAN
Please don't hurt her.

CALEB
(twisted)
like Sophia, being chosen by you brothers is her fault!

Caleb's eyes go wild as he remembers Sophia. He presses the dagger against Ivy's carotid artery.

DAMIAN
What are you doing?

CALEB
(maniacal)
I want you dead, Damian!

Everyone is shocked.

EPISODE 50

92 EXT. REMOTE CABIN - DAY 92

Ivy struggles against Caleb's control, but it's useless.

IVY
(teary, whispering)
No! You can't do this!

CALEB
See? Even with their powers suppressed by the barrier, your stepbrothers still love you.

Damian's wolf powers are suppressed by the red circle. He's pinned and beaten by Caleb's men.

DAMIAN
Just let her go!

Caleb's men advance with daggers. The twins and James rush to Damian but are too late.

At the critical moment, Ivy frees herself, blood from her neck wound trickling as she lunges toward Damian. They roll out of the red circle.

DAMIAN (CONT'D)
Ivy! Are you okay?

Ivy shakes her head weakly, a faint smile on her lips.

IVY
Now I know... you were lying to me. You just wanted to protect me, didn't you?

DAMIAN
I'm sorry, Ivy. I shouldn't have lied! I just wanted to keep you safe.

IVY
(weak smile)
I forgive you.

Seeing Ivy safe, James and the twins rush to her side. Damian restores his wolf powers and snaps Caleb's neck with one hand.

Caleb looks at the black powder between his fingernails, a sinister smile creeping onto his face.

Damian checks Ivy's neck - black blood flows from the wound. Ivy slowly collapses.

DAMIAN
No! Ivy!

Everyone is shocked. Talon and Hale watch in disbelief as Ivy falls. Ivy gazes at the black blood on her fingers.

IVY
I'm poisoned, aren't I?

James cradles Ivy, tears streaming down his face.

Outside, the two thirds of the Full Moon has turned orange. Damian parts the group to examine Ivy's neck wound.

DAMIAN
We have one hour to save her.

Damian lifts Ivy into his arms.

IVY
(weakly)
Damian, what are you doing?

DAMIAN
I swear I'll find a witch to cure your poison—hold on!

Ivy looks up at the red moon.

IVY
No... while there's still time, we have to break the bond.

93 EXT. REMOTE CABIN - DAY 93

JAMES
(eyes filled with tears)
Don’t you want us?

IVY
(shaking her head)
No. We have to break the bond. I can't let you die with me.

Ivy quickly slices open both her and Damian's fingers.

IVY (CONT’D)
By the Moon’s light, I release your soul from mine.

Ivy collapses. The brothers rush around her.

94 INT. SMALL CABIN - DAY 94

Ivy lies lifeless on the bed. James, Damian, and the twins sit around her, pale and hollow-eyed.

James's eyes are red and wet. Damian stares at Ivy, sorrow flooding his face.

DAMIAN
Ivy. It isn’t right for us to keep you from what you want in life. Since you have been here, we have done nothing but cause you problems.

There was a knock at the door—it was Kate. she holding a vial of blood.

KATE
I got the test results from Ivy's blood. She's a rare Solvemane.

JAMES
(confused)
What does that mean?

KATE
It's the oldest and purest wolf bloodline - the source of the strongest power. When the gene awakens... it's like resurrection.

HALE
How could Ivy have that kind of bloodline?

KATE
Normally, the gene would've been diluted by human ancestry, but for some reason, hers reemerged.

TALON
(excited)
Does that mean we can save her?

DAMIAN
(calm but firm)
What's the key to awakening it?

KATE
You. Only the four of you can revive her - by completing the ancient Circle Bond.

Kate's expression darkens.

DAMIAN
What's the risk?

KATE
The Circle Ceremony’s sealed in blood. If she survives it, they’ll have to obey her. One move against her, and the bond rips them apart.

the mark of the Alpha—but loses her freedom forever.

JAMES
I’m willing to form the bond..

The four brothers share a long look - and nod as one.

CUT TO:

SUPER: TWO WEEKS LATER

On the bed, Ivy's eyes snap open - a flash of radiant blue light bursts from them like a living aurora.

EPISODE 52

95 INT. SMALL CABIN - DAY 95

Ivy stands before a mirror, stunned by what she sees - waist-length auburn hair gleaming with copper light, eyes glowing like the aurora lights.

IVY
Holy shit. What the fuck is this?
My eyes look like theaurora lights,
The hell... Oh, they really do have
a sense of humor, don’t they?

She pinches the bridge of her nose, scanning the room.

IVY (CONT’D)
No one's here to greet me? Figures.

Her disappointment barely settles before tense voices echo from downstairs.

DAMIAN (O.S.)
I said I'm not leaving Ivy until
she wakes up!

IVY
(confused)
How can I hear that so clearly?

In a blur of movement, she darts from the room - faster than any human could move.

96 INT. ENTRY HALL - DAY 96

Damian stands before three men - Zane and two armed guards.

DAMIAN
I'm not going anywhere.

ZANE
That's not up to you. If you want
your brothers to live, you'll come
quietly.

He signals the guards. They wrap silver chains around Damian's wrists. James and the twins block their path, but Damian motions them to stand down.

Just as Zane turns to leave with him-

IVY (O.S.)
Is Zane's with the Elders now?

Ivy appears at the top of the stairs, descending with eerie calm until she stands beside Damian.

IVY (CONT'D)
Where are you taking him, Dad?

Zane furrows his brows, eyes narrowing.

ZANE
You - Where did you just come from?

IVY
I have always been here. Now, what seems to be the problem?

he four stepbrothers look down at Ivy, relief and joy spreading across their faces.

DAMIAN
Ivy, you're finally awake.

Ivy smile.

ZANE
If that useless Caleb had done his job, I wouldn't have to be here myself.

IVY
So you're the person behind Caleb all along. You used him to kill me - and them.

ZANE
(sneering)
Ivy, that was the only value you ever had as my daughter. And now... even that's gone.

IVY
(shocked, furious)
You want to take control of the pack. I won't let you get what you want. You're not taking Damian anywhere!

She steps in front of the guards, eyes blazing.

ZANE
(mocking)
And what do you think you're doing? You're just a human and you want to stop me?

Ivy grabs Zane by the throat, pulling him close.

IVY
I'm Ivy Thorne. Their mate and the Luna of this pack.

Zane and the guards freeze - terror draining the color from their faces.

EPISODE 53

97 INT. ENTRY HALL - DAY 97

Ivy glares at Zane, threatening him. Zane grabs her hand, his face burning with anger. The silver chains in the guards' hands glint.

ZANE
You actually attack me for a man? I’m your father!

IVY
We no longer have anything to do with each other the moment you tried to kill me!

ZANE
(stern)
If you dare hurt me, you will have to answer to the Elders! Do you want to start a war between wolf packs?

DAMIAN
Ivy, let go!

IVY
I’m not going to let them take you away, Damian...

DAMIAN
(calming)
I trust the Elders will give us a fair trial.I don’t want to start a war.

Ivy notices the worry in Damian's eyes and slowly releases her grip. Zane shoves her away and slaps her across the face. The four brothers glare, ready to fight.

ZANE
(sneering)
So you really like this little bitch.

JAMES
Shut up, Zane! You have no right to say such words about Ivy!

IVY
(warning)
Zane, you will regret what you did today!

ZANE
(laughing loudly)
Ha! You think you're worthy enough to make me regret my decision?

Zane gestures for his men to take Damian.

ZANE (CONT'D)
Three days from now - the day of the Elders' trial - that will be the day you die.

EPISODE 54

98 EXT. ELDER PALACE - DAY 98

SUPER: THREE DAYS LATER

A gothic castle rises from a barren, desolate landscape. Ivy, James, and the twins approach the massive gates.

99 INT. MAIN HALL - DAY 99

Two guards push open the doors for them.

Inside, several Elders sit in tall brown chairs. Soldiers line the walls. Damian, looking worn and haggard, stands in the center. Ivy, James, and the twins join him.

IVY
(worried)
Damian, are you okay?

DAMIAN
(assuring)
Don't worry. Everything's fine.
(MORE)

DAMIAN (CONT'D)
(looking to the Elders)
Good afternoon, sir. Can we begin?

ELDER ED
Damian, you and your brothers are brought before this court because you were accused of failing to properly manage yourselves.

Damian and his brothers roar in fury.

DAMIAN
This is supposed to be a private meeting to discuss issues, not a trial.

ELDER ED
Unfortunately, you were told wrong. You're on trial, Damian, and if you and your brothers don't get yourselves together, you will be put down.

DAMIAN
(frowning)
This is bullshit, Ed. I did nothing wrong.

Ed takes a deep breath with contempt, turning to Zane.

ED
Did you not give a written statement to us they took a human against her will and forced her to mate with them even though there was no bond?

ZANE
Yes.

Allison feigns sadness as she looks at Damian and his brothers.

ZANE (CONT'D)
Her name was Ivy. The poor girl didn't stand a chance against them, but please... go easy. They are still suffering from the loss of their mother

HALE
(erupts)
Are you fucking kidding me?

TALON
(raging)
You're fucking lying! You tried to kill Ivy yourself!

ED
(shouting)
Enough! I will have order in my courtroom!

Silence falls. Ed turns to Zane.

ED (CONT'D)
Zane, can you please state who you are for the court?

ZANE
Yes, I am Zane Thorne. Ivy Thorne's father.

ED
(reading files)
Very good, and Zane. Can you tell us what happened to your daughter?

ZANE
After she graduated, Damian caught her scent. He wanted her desperately, but I told her I would not allow it. Then Damian and his brothers took her by force.

Everyone gasps.

EPISODE 55

100 INT. MAIN HALL - DAY 100

James scans the room, noticing the faint shimmer of silver weapons in the guards' hands.

JAMES
(whispering)
We need to get out of here. Something's wrong.

DAMIAN
(nods, then loudly to Ed)
Seems today isn't a proper council meeting. We'll come back another time.

The brothers exchange glances and begin to back away. Ed spots their movement and raises his hand.

ED
(sharply)
You're not leaving today. Damian and his brothers are guilty as charged. Guards - detain them!

Guards move in with silver chains. The metallic glow fills the hall as growls and cries of resistance echo.

Ivy and Damian are ensnared - silver chains tightening around their necks and arms. Zane steps forward, holding a dagger.

ZANE
You think you'll walk out of here alive? Damian, only when you're dead can I claim control of the pack.

Zane thrusts the dagger toward Damian's chest.

At the very instant the blade strikes, Ivy breaks free of her chains - surging forward, her hand plunging into Zane's chest.

Zane and Ivy lock eyes, both stunned.

ZANE (CONT'D)
(disbelieving)
This can't be... how could you have such power?

IVY
I told you - I'm no human. You just refused to believe me... and you thought you could kill me.

ZANE
(coughs blood)
Ivy, I'm your father...

IVY
(cutting him off, cold)
You broke my heart the day you betrayed me Let me repay the favor.

101 INT. MAIN HALL - DAY 101

Ivy moves with terrifying speed. She rips Zane's heart from his chest. His body collapses to the floor. Ivy stares at him, indifferent.

IVY
(threatening)
Let them go unless you want to meet the same fate as my father.

ELDER ED
(shouting)
What's happening? Murderer! Stop her!

Two guards rush toward Ivy with silver chains. She snaps their necks one by one, tossing their bodies aside. She turns to the Elders' seats.

IVY
I don't know what Zane told you, but I want to know what gives you the right to take my companions.

ELDER ED
(amazed)
Wwho are you!

IVY
Technically speaking, I'm newer than most. And my father and Allison lied to all of you.

ALLISON
Don't listen to that filthy bitch! You bastard - I should've killed you when I had the chance!

Ivy grabs Allison by the throat and turns to the council.

IVY
Your honors, I request that put her in solitary.

The Elders tremble in horror.

ELDER
You're an immortal!

IVY
Can you release us now?

The Elders step back, terrified.

EPISODE 57

102 EXT. GARDEN - NIGHT 102

At the garden's edge, the four brothers wait in tailored suits.

HALE
Do you think Ivy is still the same girl who came here to study?

Damian sets down his wine glass.

DAMIAN
(touching his nose)
I wouldn't even ask. She's terrifyingly strong now.

JAMES
(putting a hand on Damian's shoulder)
Let me help her onto the stage.

TALON
(adjusting cufflinks)
Today, during the coronation, I hope you guys won’t try to steal the spotlight.

JAMES
(teasing)
Who was it that scared her by turning into a wolf in the first place?

They laugh. Damian glances nervously toward the garden's end. The brothers follow his gaze.

Ivy steps forward, crowned in silver. Her curls fall loosely over her shoulders. Smoky eye makeup and deep crimson lips complement her tight white corset dress with a thigh-high slit.

She walks gracefully along the path to the stage. Below, wolves from various packs watch.

Damian, James, Talon, and Hale simultaneously extend their hands. Ivy takes Damian's hand and walks elegantly toward the high seat.

DAMIAN
(loudly)
Welcome everyone. Tonight, we usher in a new era. This era belongs to the Luna of our pack - my mate, and the mate of my brothers. Ivy, do you accept this responsibility?

Behind Damian, James, Hale, and Talon stand ready. Ivy meets each of their eyes.

The High Priest raises a silver blade inset with sapphires, cutting the palms of Ivy and the four brothers. Blood drips into the sacred chalice.

HIGH PRIEST
With this blood, we merge the souls of our mates with the souls of the pack.

Ivy and the four brothers drink from the chalice. An amber aura spreads across the crowd. Wolves howl in excitement.

IVY
What's happening?

HIGH PRIEST
(elated)
The Luna's mysterious power awakens the pack, making them stronger than ever!

Ivy smiles knowingly. The four brothers stand guard around her. She sits proudly on the diamond-encrusted throne, crown sparkling, as the pack bows in reverence.

THE END
